St Philip's CE (A) Primary School is a Church of England School, founded to serve the local community and to provide quality education in partnership with parents and the Anglican Church. The school's admissions policy (Section 4) states:

Notes for completion of this form

We ask that applicants for church priority places have been affiliated with their church for a period of at least two years. Applicants new to the area would therefore need to provide additional evidence from a previous church or churches.

To accommodate patterns of work and family relationships, account should be taken of involvement in week-day worship, or other forms of collective worship offered by the church, including family services, church parade etc.

The frequency and duration of attendance should be considered for the child for whom the application has been made, alongside at least one adult carer. This may be one or both parents / guardians or a grandparent. There is, however, an expectation that the child attends church in some capacity and is known to the person completing this form.
