

You are going to Reception at St Philip's!

A special story all about you.

Draw a picture of yourself here.

I go to Pre-School. I hang up my coat, smile at my friends, and choose something to play with.

Draw what you like to play with.

I like Pre-School. I know where everything is. I know what to do.

Draw your Pre-School.

One day, my teacher said:

‘Soon you will be going to Reception at St Philip’s’

Draw how you felt when you heard this.

I felt a bit wobbly in my tummy.

‘What if I don’t know what to do?’ I asked.

Draw a face showing how you felt.

They smiled and said,

‘You’ll still play, learn, and have fun. Your new
teachers will help you.’

Draw your teachers.

Then I visited my new classroom. It had blocks,
books, and lots of things to explore.

Draw your new Reception classroom.

I met my Reception teacher. Her name is Mrs
Baechler. She said,

‘Hello! Would you like to play?’

Draw something you played with in Reception

When I went home, I told my family,
'I think I'm ready for Reception.'

Draw you telling you family about your new class.

Now I feel excited. Reception is new. Reception is fun- and I am ready for an adventure.

Draw yourself ready for the first day of Reception with a big smile.
